Collectively the trees within the site are considered to possess high public visual amenity value and provide an important landscape feature in this location.  The London Plane is located close to the front/side elevation of Palmerston Court. Records show that it has been managed on a cyclical basis as such its reduction back to previous pollard points is considered acceptable to prevent it from posing a nuisance.  With regard to the objections raised by the Town Council, it is not known what further information the applicant could provide in respect of the tree, a visit to the site would clearly show the location of the tree, the extent of its spread and the issues this poses.  The proposed works are considered reasonable and
