- k. Preferred contractor policy (added November 2011 minute 3633 (iii))

The Council is not required to obtain multiple quotes for small items of expenditure or services where it would not be a good use of office resources to do so. For this reason the Council has developed a preferred contractors' policy. Providers of IT, horticultural, graphic design, audit and small maintenance work services have submitted hourly rates to the office and these have been approved by Council as acceptable.

Office staff may request quotes from those companies to carry out small jobs without seeking second or third quotes for comparison. However the Council may seek multiple quotes if it wishes. Quotes will still be submitted to Council for approval.

Hourly rates will be requested and reviewed annually and those contractors selected by Council as preferred will be openly acknowledged in the interests of transparency.
