Hello everyone, I have been trying to think of something to write about this month and nothing readily comes to mind.

Some bits of good news I have is that I have my second 'Jab' booked this week, I have become a great grandmother for the forth time and informed that another is on the way in

September. I can't keep track of all these babies!

There seems so little going on these days, but let us hope that now children are at school and people are slowly returning to work, things will feel a little more normal.

Just a reminder for the residents of Kingsdown and Ringwoud that the WI will be looking out for colourful Front Gardens to award certificates during the first week in July.

For those who have had a good Sort Out during the Lockdown, there is a Garage Safari in Kingsdown on Sunday 30<sup>th</sup> May - see advert page seven for details perhaps you would like to register. It looks that in the not so distant future Halls, Clubs and organisations will be starting up again . Let's hope so.

All the Best to you all.

Hello, again!

April showers filling up the water butts, perhaps? Although I was disappointed to read that you should really only use fresh water to water your seedlings. This may be why my seedlings sometimes get damping off fungus, apparently. And they do. And aphids. It's war out there with viruses, pests and diseases. Anyway, let's move on, we have all had more than enough of the V word!

Monty Don has started the should we/shouldn't we mow the lawn controversy. I'm sitting on the fence here. A beautiful meadow with wild flowers is one thing, a grotty mess full of stinging nettles, thistles and brambles is another. I confess, we bought feed and weed. So I shall sit on the fence while my husband does the lawn bit. Or perhaps a patio chair would be more comfortable.

April TO DO's (I googled these, of course; glad I can't be done for plagiarism...) Deadhead Spring bulbs, sow hardy annuals in garden gaps, prune hydrangeas, divide and replant perennials, clean the greenhouse (practise what you preach, Woman!), plant maincrop potatoes, check for aphids. I have never ever deadheaded a snowdrop and they are self seeding all over our front flower bed, which is a good thing. But, yep, I do deadhead daffodils. There are hundreds of April gardening jobs, so there is no definitive list, of course.

Another controversial issue is the slug and snail one. I don't know if there any thrushes in our part of the world to eat the snails. I have never seen one. A lot of my plants have been nobbled and nibbled over the Winter. We spend a small fortune on bird food and see lots of goldfinches, tits and blackbirds, but no thrushes. "Feed the birds, tuppence a bag". Come on, Mary Poppins, time to update your lyrics!

No meetings or anything to report, Barbara, our Chairman will let us know as and when they recommence. But Spring looms! Or perhaps it beckons...? Can't wait!! We need some good weather to meet up with our long missed friends and enjoy our favourite tippie or cup of tea in the garden. Yes!!!!

## **Calling all Kingsdown Residents and Visitors**

It is now a year since we started our first Covid Lockdown; something none of us could ever have imagined and it seems an appropriate time to ask all the Kingsdown residents and visitors to say a big THANK YOU to -

Del and his team who have worked tirelessly (extra trips to the cash and carry) to keep the shop stocked and post office open seven days a week so we can all get our morning papers and post letters and parcels to missed loved ones.

The Kings Head for providing takeaway Friday Fish & Chips and Saturday curries, so we know it's the weekend.

The Zetland for their takeaway Burgers, Pies and Breakfasts and extra offerings just recently.

The Butchers..... providing meat and other produce to keep us all fit and healthy.

It's so easy to take them all for granted.

We are really lucky to have three pubs, a shop, post office and a butcher in our lovely village.

What would we have done without them all?

***A note from the editor:*** did you know that Del has a collection point for the Food Bank. Anyone wishing to contribute could buy a little something extra to pop into the box while shopping in Dels.

SAVE THE CHILDREN

When Covid-19 hit the UK, children's lives were turned upside down. Children's learning was jeopardised and thousands of families were pushed to the brink of poverty. Save the Children has no political allegiance. Save the Children launched an Emergency Grant for families worst affected by the pandemic. Even before the pandemic, four million children were living in poverty in the UK and it has caused a widening education gap.

When the lockdown started, disparities got worse and it's feared the attainment gap between children living in poverty and their peers has widened further. With those on lower incomes being more likely to lose their jobs or be furloughed, parents had to choose between paying the bills or feeding their children. Families found themselves stuck on the wrong side of the digital divide and increased stress at home further impacted children's learning and wellbeing. Save the Children has delivered over 5000 grants to families, to ensure that 12,000 children have the material items and resources they need to help them play, learn, and develop at home. It has developed and distributed over 35,000 resource packs across the UK, filled with advice and guidance for parents and activities for children to enjoy at home during the pandemic. Many parents said that the supermarket vouchers that they received from Save the Children, were of most help, giving them autonomy and financial stability.

The pandemic has made our country a more unfair place for children. Save the Children is acting now to help struggling UK families in order that these families do not feel the effects of the pandemic for life.

## Ripple Parish Council

**Litter Picking:** Councillors considered a proposal for a litter picking campaign in the village. All thought this an excellent idea and agreed to revisit once lockdown restrictions allow.

**Neighbourhood Watch:** Ripple Parish Council would like to extend their thanks and gratitude to Roger Chatfield for undertaking the voluntary position of NHW co-ordinator over the years. Roger is taking a well earned rest from the role and is looking for someone to take over. The role is merely collating information, distributing via Nextdoor forum if appropriate, and preparing an annual report for the Parish Council.

If we cannot find another co-ordinator then the Ripple network will unfortunately have to close. Please contact clerk if you have a small amount of time to spare to give to this role.

**Annual Parish Meeting:** This will take place at 7.00pm on 13<sup>th</sup> May 2021 (confirmation to follow on if this is to be a zoom or virtual meeting). Every resident is invited and you will have the opportunity to hear reports from Chairman, Ward Councillors, County Councillor, PCSO and our NHW co-ordinator as well as an update on any Church or Village Hall matters.

**Parish Council Meetings:** From May 6<sup>th</sup>, as lockdown eases, Ripple PC may resume holding physical meetings in the village hall. We understand that some of you may have questions for the Parish Council but are unable to attend meetings. You can email or telephone the clerk your question/s or any issue you would like to raise.

### The dates of the next three meetings are:

8<sup>th</sup> April 2021 (via zoom)

13<sup>th</sup> May 2021(Annual Parish Meeting @ 7.00pm followed by the ordinary meeting @ 7:30 – type of meeting TBC)

10<sup>th</sup> June 2021(type of meeting TBC)

Meetings start at 7.00pm. Please email the clerk if you would like a zoom invite for April or would like to be notified once it is confirmed about the May Annual Parish Meeting being at the village hall or via zoom.

*Notes from the Zoom meeting held on Tuesday 2<sup>nd</sup> March 2021*

**Recent Severe Weather:** The Council expressed their thanks again to the farmers and local residents who had helped with snow ploughing the lanes and rescuing stranded drivers from snow drifts in the recent bad weather.

**Dover District Local Plan Consultation:** The Parish Council having studied the draft plan and discussed it at the recent virtual meetings agreed on their response to the consultation. The Councillors expressed their appreciation for the hard work that had gone into the draft and considered it to be a well put together plan. No comments were made in relation to plans for the Sutton parish.

**Planning:** The Councillors considered three planning applications and noted the DDC planning decisions. The planning log is up and running on the website for parishioners to check local applications. Various possible breaches of planning were reported and updates received from DDC.

**Census March 2021:** The Census is to be mainly held on line. It was decided to add information to the Council's website and notice boards.

**Annual Parish Meeting (APM) and AGM:** The Council discussed dates for these meetings. It was decided to hold the AGM over Zoom on the 4<sup>th</sup> May 2021 at 7.20pm.

With the added complications of lockdown restrictions and the regulations still unconfirmed by government to allow virtual meetings to extend beyond May 6th, the Councillors decided to revisit setting a date for the APM at their April meeting when the situation may be clearer.

**Playing field:** The consultation on the Public Spaces Protection Order from DDC has been delayed for the moment. The Parish Council will continue to monitor the issue of nuisance at the playing field caused by a small minority of visitors not clearing up after their dogs. The District Council to be taken up on their offer of patrolling the area more frequently.

**Allotments/Orchard:** The pruning has gone ahead at the orchard and a very tidy job has been made of it. Councillors were encouraged to visit to take a look.

The next meeting is on Tuesday 6<sup>th</sup> April 2021 at 7.30pm - Zoom meeting.

### Highlights from the February and March meetings of Walmer Parish Council held via Zoom Video Conference.

**Chairman's report:** Cllr James Murray reported that due to the Clerk's departure we would not be holding all our committee meetings. We will still be holding Council, HR, Planning and Finance meetings and other committees would resume once a new Clerk is in post. Urgent business from a committee not being held will be brought to the Full Council.

**Extraordinary Finance and General Purposes Committee: Members received the draft budget, considered the recommendation of the committee and resolved:to accept the budget proposals:**

- That expected income to be used to offset expenditure
- That once this is applied the level of total resources required will be £196,641 which will mean equivalent Band D Council tax of £58.08

**A proposal from** Cllr Mike Eddy was unanimously supported: "Members of Walmer Parish Council records their grateful thanks to all those clinicians and support staff throughout society who have worked so tirelessly throughout the Covid-19 Pandemic on behalf of all of us. Walmer Parish Council asks the Kent Association of Local Councils to suggest to local Councils in Kent and Medway to promote similar Expressions of support.

**Questions and observations from Walmer electorate:** A local resident asked if Walmer Parish Council could provide litter picking equipment for use?

Members informed her of a number of local groups such as "Deal with it" that had already set up and will be running regular clean up sessions as soon as Covid restrictions allow and invited her to put a formal proposal to WPC for consideration.

Another resident spoke about traffic calming measures needed on Dover Road that he was discussing with Kent Highways and asked for support to put a Highway Improvement Plan in place. Cllr P Heath suggested that it would be a good move to carry out a traffic survey of actual traffic movements and numbers.

**Crime and anti-social behaviour reports:** PCSO Adam Herod reported that the majority of crimes in Walmer were currently connected to breaches off Covid regulations.

He also told members that Deal police station was now closed and he was based at Dover Police Station but visited Walmer every time he is on duty.

#### **Report of the clerk.**

A Manston Golf company has been granted planning permission to build a crazy golf course next to Walmer Paddling Pool on the site of the old putting green. They will take over the ownership from Dover District Council of this land and also the running of the paddling pool.

Members were pleased to learn that Walmer Parish Council will no longer need to provide the grant of £5,000 per year towards keeping the facility going for local families to enjoy.

Next meeting: April 7<sup>th</sup> at 7.00pm by Zoom. All are welcome to attend.

*Cllr Sue Le Chevalier, Acting Clerk*

Cllr Beard-Gould and Head Gardener Philip Oostenbrink stand at the beginning of the old entrance to Walmer Castle

**Walmer Parish Council** has made a new investment which will take around two hundred years to mature.

It is an investment which will benefit not only local people and visitors to Walmer Castle but also some 300 lichens and over 400 insect species - not to mention the birds and small mammals for whom they provide a valuable food source.

What is this unusual investment - it is two oak trees [of the species *Quercus Robur*] which have been planted in the grounds of Walmer Castle at the beginning of the splendid oak tree

parade which begins at the currently unused Liverpool Rd. Entrance to the Castle.

The project began when the Councillor responsible for Walmer Parish Council's tree planting project - so far over 40 trees have been planted across the parish with the twin aims of counteracting vehicle pollution and making our streets more beautiful - Cllr Marguerite Beard-Gould heard about an appeal from the French Government for large mature English Oak beams to replace the lost timbers in the Notre Dame Cathedral..

Walmer's new trees were planted a week after the first 200 year old oaks were felled to begin the reconstruction of Notre Dame's spire.

She explained: " When the call went out to all European countries including the UK a survey revealed that here in England - the home of this splendid tree - the number of mature Oaks was in fact very low.

" We decided to help address that by planting two English Oaks (*Quercus Robur*) but we wanted them to be in an appropriate place so we asked if Walmer Castle might have space and we were lucky they did as they are in the process of restoring the original drive to the Castle from Liverpool road and they had recently lost two trees from the start of that avenue.

"Now they are safely planted and in time will add to the beautiful landscape of Walmer and it's historic castle."

Walmer Castle's head gardener Philip Oostenbrink, told Rural Roundup: " We are delighted to receive this gift from the Parish Council on behalf of the people of Walmer who can rest assured that they will be tended with love and will in time mark the entrance to the restored Castle Drive."

*Philip Oostenbrink positions one of the new oaks as Brian Addison, Gardens Project Supervisor, and Andrew Crookes, trainee, prepare to plant the tree.*

## Just a couple of things to share - Not so good & Good!!!!

Found by my friend this morning at Kingsdown, while walking her dogs. She has reported it.

### **A Postcard from Wales.**

Had this little visitor this morning to our bird table.

The cold easterly winds bring them down very infrequently from the Welsh mountain caves.

A rare but beautiful sight.

“Due to Purdah for the KCC Elections **on May 6<sup>th</sup>** there will be no District Councillor update in this edition”  
Best wishes, *Ollie and Martin*

I have been running the St John’s, Kingsdown 100 Club nominally since January 2020 and officially since April 2020.

David Dobby had set it up and run it for 10 years so deserved a rest. I had no idea that Covid-19 would so disrupt our lives so that I couldn’t even go to the bank to cash a cheque for the monthly draw: for the first time ever I was pleased to be able to do internet banking, even with all those nasty little bits of paper. Thank goodness for the village Post Office.

The winners from August 2020 to February 2021 were:

John Gray	Rosie Bolton	J & I Stephen
J Chidwick	James Brabazon	Tim Waite
Liz Threadgold	J & I Stephen	Jennie Bird
Derek Richards	Carol Harvey	Mandi Blacker
Lesley Killip	Barbara Ridout	Linda Storrie
John Quin	Elizabeth Monk	Margaret Gilling

Sadly, I have to say that Kingsdown’s centenarian, Jim Miller, died shortly before Christmas, so his number **96** is available; but he went out on a high as it were, as he won a prize in the October draw.

Please let me know if any of you would like to take his number so we can continue supporting St John’s financially in the same satisfactory way as we have always done. A transfer of £500 has just taken place, so thank you all for your continued support.

Dear Friends and neighbours.

As I write this, I am looking out at a beautiful blue sky and sunshine everywhere. After a long winter, and the stops and starts to our social and other activities brought by virus restrictions, the view from my window makes it easy to believe that better and brighter days are really on the way! And lately, it has been such a joy to see new life around us: daffodils in the gardens and hedges and roadsides and in scattered patches everywhere.

So it is time now to look forward and to believe that the difficulties and sacrifices we have made for the past year have been worth while as it seems likely that from now on, we will see a slow but definite return to 'normality'. I am looking forward to meeting people socially, to be able to visit parishioners at home, visit family, meet friends in a cafe and even go to see a play or a film!

But most of all, I am excited that Easter is almost here. The long weeks of Lent brought introspection and refection; prayers for the world and continuing prayer for those who have been affected in any way by Covid. But Easter *is* coming, bringing such hope for all of us. We will journey through these final days of Holy Week, through the grief of Maundy Thursday, the silence of Good Friday and on to Holy Saturday Eve when as the sun goes down, a few of us will gather on the church steps to bless and light the Pascal Candle and take it's light into the darkened church to say- Easter is here, the light has come! There is light in the darkness, the light of hope that overcomes the dark and fearful days. And that light, that blessing of hopefulness is God's gift to us, given through the risen Jesus Christ. And I hope that the sound of bells will be loud and reverberate to announce that sign of hope, for each one of us and for everyone. A sign that we can believe and have faith that a better world is possible.

During Holy Week and Easter, some of our local churches in the Parish and the Benefice have reopened for public worship, and there are several online and streamed services to join. Details will be in this magazine. Numbers have to remain limited and safety measures will be in place, but if you would like to join us over Easter, you are very welcome.

In the meantime, with every blessing for a very happy, hope-filled and peaceful Easter.

With every blessing to you and all those you love,

*Reverend Carolyn. Associate Priest.  
Walmer and Cornilo Benefice.
