Walmer Parish Hall to be approached regarding planters outside the hall, if they require them to be moved or for new plants to be added. The current guardian of the planters in Upper Walmer may no longer be able to continue. We are waiting for confirmation from the guardian but Cllr Waite-Gleave will step in if we do not hear back.

Quotation

Dear Mr John Miles ,

Thank you for asking Red Dog Garden Services to replace the barrier fences at hawkshill.  
As discussed it makes more sense to replace both gates, as the standing one is rotten.

To replace both gates and remove the old would be £220.00

I would be able to do these works at your earliest convenience, should you have any questions  
please don't hesitate to ask.

Kindest regards  
Chris Dawson

## WALMER PEACE GARDENS COMMITTEE

### REPORT

10 May 2025

General maintenance continues, and the grassed activity area and pathways are regularly mown.

Our focus has been on clearing some of the grasses, preparing beds and sowing the Kent wildflower seeds.

The native English (UK) bluebells that we bought 'in the green' this year have taken and flowered. We are looking forward to a colourful display next year when they have fully established.

Our monitoring of butterflies and moths continues. Already this year we have seen at least 12 species of butterfly: Common Blue male, Wall Brown, Brimstone, Green-veined White, Common Blue, Speckled Wood, Holly Blue, Comma, Orange-tip, Small White, Red Admiral, and Peacock. Also: Mint moth, Common Nettle-Tap moth, Azure Damselfly and Large Red Damselfly. Keith and Dawn have taken photos wherever possible.

Following the success of the VE80 Meryl Gardens Street Party, we are considering another neighbourhood get-together in the summer.

Weather-permitting, our scheduled WPG Community Working Days on Saturday 18 May and Wednesday 11 June will go ahead.

**Item: Breakdown of Processes for Walmer In Bloom Campaigns**

**Date: 14<sup>th</sup> April 2025**

**Meeting: Walmer In Bloom**

**From: Admin Clerk**

**Suggested Process for Walmer In Bloom Gardens Campaign**

1. Upload nomination form/QR code to website. Use Microsoft Forms as it does allow a number of photos to be posted.
2. Create leaflet with information and copy of QR code, other side of the page is a hard copy nomination form. Also create poster with the competition info.
3. Banners to be put up to advertise the campaign.
4. Distribute both leaflets and posters to local Deal/Walmer businesses and shops.
5. At this point people should be able to nominate via email, via website, the office or telephone. The nominations will be checked on a weekly basis.
6. Once closed the nominations/pictures will be checked and a letter sent out to the nominees informing them of the nomination and requesting permission to use pictures of their gardens in social media/the voting.
7. Once permissions have been given the voting then begins. QR codes for each could be put on the garden fences/walls of the properties, and images put up online with the same thing and ask for people to vote on another form.
8. Social media will push out the request to the last week reminding people to vote.
9. At the end of the competition, depending on the number of votes it may be up to the members of the committee to judge the winner if there is a draw.
10. The winners are informed, the winners receive a prize and a certificate. This includes the new shield for the overall best garden and vouchers for all winners.
11. Runner ups may be sent a certificate if requested by committee.
12. Unless there are specific reasons for their use, the highly commended and certificate of excellence certificates will no longer be used.
13. The presentation will be held shortly thereafter once it has been decided what we're doing for it.
14. A press release if authorised will be sent out, if not then a post will be put on the website instead.
15. With judging completed, if a representative of the RHS is available then we continue the current plan to show them around.
16. Shortly after this, the SSEIB judge will visit, a presentation and look around areas of Walmer will be required so that he can judge on what we have done to date.

**Suggested Process for the Walmer In Bloom Poster Competition**

1. Committee to decide on the beginning and end dates for the poster competition: The competition is currently timed for five to six weeks between the end of February and the end of March.
2. Write the invitation to the schools and send by email with the standardised entry form
3. Pick up entries for judging by committee members at council offices: Each of the eight members of the committee will be required to judge the entries at the council offices within set dates.
4. Finalists chosen, scanned and emailed to members for decision: These will be those top three in each of the key stage groups from each school as decided by the members of the committee.
5. Exhibition Day: A small exhibition will be set up at St Saviours for the public to see the finalists.
6. Schools informed and date for presentation confirmed: The presentation will need to be as soon after the decisions have been made.
7. Advertising: Posters and leaflets with the winner pictures will be distributed.

8. Presentation goes ahead, two winners from both key stages at each school
9. A press release if authorised will be sent out, if not then a post will be put on the website instead.

#### **Suggested Process for WIB Campaign Flower/Planters**

1. Committee to decide on quotes from contractors for baskets and plants: This will usually be Youngs Nursery and Chapmans.
2. Committee to decide on colours/campaign for the year: This year we have had Youngs nursery make the decisions as to the best colours to suit the area as opposed to a campaign as in recent years.
3. Inform contractors of requirements and the dates to be done by: Currently this is the start of June to the end of September.
4. If agreed, South and South East In Bloom registration will be needed by the end of February.
5. Ensure that all planters and flower baskets are in good condition during the campaign
6. Have the baskets removed at the end of the WIB campaign

Committee to decide on updated processes for WIB campaign

Item: **Suggested Walmer In Bloom Publicity**

Date: **16<sup>th</sup> April 2025**

Meeting: **Walmer In Bloom**

From: **Admin Clerk**

Publicity will be a major part of the overall WIB campaign, the poster competition is very much the beginning of the campaign and a lynchpin of what will come afterwards. The pictures from the four winners will be used as a stepped release over the first weeks of the overall campaign.

1. Four posters will be completed using the four images from the poster competition. Posters and leaflets will be distributed to shops, eateries and other locations as suitable.
2. One poster will be uploaded to social media and the council website, this will change every two weeks for the duration of the judging with the use of another winner's entry.
3. During the third week WIB banners will be put up at the chosen locations. If possible an exhibition will be set up at St Saviours church.
4. The fourth week will include the presentation to the schools (dates to be confirmed), a press release will also be written for inclusion on social media.
5. During the children's festival, a display of the finalists for the poster competition will be included (Weather permitting).
6. Final judging week a last social media post will go out asking people to vote.
7. After judging is complete a press release will be distributed to media outlets and social media.
8. At the end of the campaign, if applicable a press release and/or social media will include the town's entry and success in the South and South East In Bloom competition.

#### **Possible locations for poster/leaflet distribution.**

- **Ad Mags:** Put together a press release for local magazines.
- **Posters and leaflets:** To be distributed to shops and businesses in Deal and Walmer
- **Side of vehicles:** Possibility of putting posters in the windows of members vehicles, especially any larger vehicles.
- **Banners:** Once the design has been confirmed, purchases will be made and once received the banners will be put up in chosen areas of the town.
- **Websites:** The Walmer Town Council Website, WalmerWeb and any other local websites.
- **Social Media:** Put posters/leaflet information on social media sites like Facebook.
- **Schools:** Inform the schools of the campaign and see if they are interested, especially if they are now included in the garden competition.
- **Local Groups:** As with the schools it may be an idea to contact local groups such as volunteer gardeners, and nature groups as well as any other organisations that members may be aware of.

#### **Other Publicity**

- **Radio Stations:** There are several radio stations in the local area including Deal Radio, White Cliffs Radio and Made in Kent. Contacting them with the possibility of mentioning the WIB campaign a few times a week might help with reaching a large audience.

Committee to decide on types and locations of advertising/publicity

by entering our competition.

We would like to see the displays and tended spaces that catch your eye and make you smile.

They could be your neighbours' hanging baskets in the back garden, your veggie patch in the front garden or your favourite wild garden that helps nature.

Categories could include containers, wildlife friendly gardens, and of course the best garden in the town. But this year we are including more of the non-residential side of things, so if you think that a school, a church, a business or care centre has something to be proud of then why not nominate them?

If you nominate then remember that we will need a photo to share on our website and consent from the resident gardener

Another change this year is that the community will be voting for the winners. That's right, you will have a say on who wins this year.

Deadline for entries is the third week in June so you have time to look around and see what you can find.
